I understand and agree that health and accident insurance policies are an arrangement between an insurance carrier and myself. Furthermore, I understand that the Riverwalk Family Chiropractic will help to prepare any forms to assist me in making collection from the insurance company and that any amount authorized to be paid directly to the Riverwalk Family Chiropractic will be credited to my account on receipt. However, I clearly understand and agree that all services rendered to me are charged directly to me and that I am personally responsible for payment. I also understand that if I suspend or terminate my care and treatment, any fees for professional services rendered me will be immediately due and payable.
